"Distinctly a Modern Treatise."

BEACH ON THE MODERN LAW OF CONTRACTS

A TREATISE ON THE AMERICAN LAW OF CONTRACTS, INCLUDING A FULL CONSIDERATION OF THE CONTRACTS AND OBLIGATIONS OF PUBLIC AND PRIVATE CORPORATIONS

By **CHARLES FISK BEACH, Jr.**

TWO LARGE VOLUMES.

THREE THOUSAND PAGES.

TWENTY-SIX THOUSAND CASES

EXAMINED, CITED AND REVIEWED.

Beach on Contracts presents in a plain and practical way a complete statement of the modern law of contracts in all its branches and in very full detail.

The statements are illustrated by explanatory notes and a full consideration of all the recent decisions reported in either England or America, and all of the earlier cases necessary to show the development of the principles.

Particular reference has been made to the contracts and engagements of public and private corporations. Separate treatment is given to the undertakings of railroad companies and building and loan associations.

The work is a comprehensive treatise of the law of to-day with reference to contracts, and considers the recent developments and modern applications rather than the elementary principles.

Every well considered case of recent years has been reviewed, resulting in an examination of over twenty-six thousand cases.

3,000 PAGES—26,000 CASES.

Complete in Two Large Volumes. Price, \$12.00 Net.

THE BOWEN-MERRILL COMPANY,
INDIANAPOLIS—KANSAS CITY.
